

EURO crate partition 80x60x12 - short

Crate partitions are an essential element for the organisation and protection of various transported items. These practical dividers allow the safe transport and storage of various materials and products. With the help of the dividers, you can divide the Euro crates in any way you like. The partitions have a pre-milled drawer system. At least one long and one short partition is required for the partitions to function.

Product code: 967435

Number of pieces on the pallet: 200

Technical specification

Features:

Colour	white
Material	PP copolymer
Weight	0.13 kg

Outer dimensions

Length	46.7 cm
Width	0.3 cm
Height	9 cm
