

Longitudinal divider for storage racking box - 30x9 cm

Keep your small parts neatly organized with a longitudinal divider that splits the storage box into multiple sections. It can be easily attached to the prepared guide rails on the sides of the box, ensuring it stays firmly in place without shifting. Ideal for creating practical rows in the container, allowing quick access and better organization. Suitable for 964100, 964110, 964120.
