

Longitudinal divider for storage racking box - 40x14 cm

Ensure better organization of your small components with a longitudinal divider that splits the shelf box into two compartments. It can be easily attached to the prepared guide rails on the sides of the box, ensuring it stays firmly in place without shifting. Ideal for creating practical rows in the container, allowing quick access and better organization. Suitable for Suitable for 964230.

Product code: 964453

Number of pieces on the pallet: 200

Technical specification

Features:

Colour	white
Material	HPS
Weight	0.15 kg

Specification

Suitable for 964230

Outer dimensions

Length	37.6 cm
Width	0.3 cm
Height	12.9 cm
