

Longitudinal divider with cut-outs for storage racking box - 40x9 cm

This version of the longitudinal divider is designed with cut-outs that allow you to combine additional cross dividers, creating a finer and more flexible compartment layout in the storage box. Thanks to its precise fit into the guide grooves, it remains stable and securely in place. An ideal solution for detailed sorting of small components and parts. Suitable for 9964200, 964210, 964220.
