

Cross divider with cut-out for storage racking box- 11.7x9 cm

The transverse divider with a cut-out allows easy connection to the longitudinal divider with cut-outs, creating a network of smaller compartments inside the storage box. The design ensures a secure fit without shifting, and the ergonomically shaped edge makes handling the contents easier. A perfect choice for systematic storage of small parts. Suitable for 964100, 964200, 964300, 964400.
