

EURO crate 30x20x12 with open front

The Euro container is a versatile workhorse for all industrial sectors. It is hygienic, easy to stack, and suitable for transport and storage. Resistant to cold, contact heat, acids, and alkalis. The plastic boxes are made of high-quality polypropylene. Optimized for use in automated logistics (suitable for conveyors and roller transport systems). Ideal for organized storage of small parts thanks to the insert window. Printable, with closed handles.

Product code: 965662

Number of pieces on the pallet: 320

Technical specification

Features:

Colour	grey
Material	PP
Handles	closed
Volume	5.2 l
Weight	0.5 kg

Outer dimensions

Length	30 cm
Width	20 cm
Height	12 cm

Inner dimensions

Internal dimension length	27 cm
Internal dimension width	17 cm
Internal dimension height	11.5 cm
