

Bucket with lid 1 l

Plastic buckets with a lid are suitable for storage of both hard and liquid materials. They are made of polypropylene (PP) and have an original capping in most cases.

Product code: 945000

Number of pieces on the pallet: 2280

Number of pieces in the package: 228

Technical specification

Features:

Colour	white
Material	PP
Volume	1.2 l
Weight	0.07 kg

The provided values are approximate and are based on practical experience and the ISO 8611 standard. These values were obtained under uniform load conditions at room temperature (20 °C). Due to different usage conditions, variations in values may be observed. We recommend conducting product testing before deployment.

All technical data of the products, including dimensions and weights, are subject to changes resulting from testing conditions and production technology. No legally binding guarantees of specific properties can be inferred from the information obtained.

We reserve all rights, including the right to unforeseen errors and changes. We emphasize that the provided technical data is for informational purposes only and may be subject to changes without prior notice.
