

Storage bin D ESD - 50 x 31 x 20 cm

A storage box has a versatile use in department stores, warehouses, factories, workshops - everywhere, where a perfect organization system is a priority. Sturdy plastic crates with a picking slot for convenient loading and un-loading while stacked. They can be easily integrated as spare parts boxes in all rack systems. Universal and compatible dimensions allow for a limitless possibility of combinations. Plastic boxes made of top quality polypropylene. Grease, resin and alkalis resistant. An integrated label holder.

Product code: 964036

Number of pieces on the pallet: 48

Number of pieces in the package: 3

Technical specification

Features:

Colour	black
Material	ESD
Volume	24 l
Weight	1.26 kg

Specification

Flow/surface resistance: $10^4 < 10^{10}$ Ohm

Please note that, due to the orientation of the flow derived from the processing method, finished components may exhibit different electrical properties in connection with electrostatic discharge (ESD).

All technical data of the products, including dimensions and weights, are subject to changes resulting from testing conditions and production technology. No legally binding guarantees of specific properties can be inferred from the information obtained.

We reserve all rights, including the right to unforeseen errors and subsequent modifications. We emphasize that the presented technical data is for informational purposes only and may be subject to changes without prior notice.

Outer dimensions

Length	50 cm
Width	31 cm
Height	20 cm

Inner dimensions

Internal dimension length	43 cm
Internal dimension width	28.3 cm
Internal dimension height	18.5 cm
