

Crate E1 original

Meat crates are hygienic and don't release any unwanted smells and flavors. They are suitable for storage and transport of meat, meat products and other food. Adheres to the strict DIN 55423 standard. Optimized for usage in automatized logistics (suitable for use on moving and roller conveyors), water is led away from the edge of the crates in the outward direction.

Product code: 919500

Number of pieces on the pallet: 72

Technical specification

Features:

Colour	red
Material	HDPE
Volume	21 l
Weight	1.5 kg

Due to the use of various raw materials, it is not possible to prevent fluctuations in color shades. All technical parameters of the products, including their dimensions and weights, are subject to changes resulting from testing conditions and manufacturing technology. No legally binding guarantees of specific properties can be inferred from the information obtained.

We reserve all rights, including the possibility of unforeseen errors and subsequent adjustments. We emphasize that the provided technical data is for informational purposes only and may be subject to changes without prior notice.

Outer dimensions

Length	60 cm
Width	40 cm
Height	12.5 cm

Inner dimensions

Internal dimension length	55.5 cm
Internal dimension width	35.5 cm
Internal dimension height	11 cm
