

Stacknest crate SN perforated 60x40x30

Stacknest crates are suitable for food (certified), storage and transport. They are stackable - by simply turning you can put an empty crate into each other which saves space and that is a great advantage for logistic. Perforated crates, closed handles, smooth bottom - air circulation.

Product code: 971080

Number of pieces on the pallet: 88

Technical specification

Features:

| | |
|----------|---------|
| Colour | blue |
| Material | PP |
| Volume | 50.5 l |
| Weight | 1.85 kg |

Due to the use of various raw materials, it is not possible to prevent fluctuations in color shades. All technical parameters of the products, including their dimensions and weights, are subject to changes resulting from testing conditions and manufacturing technology. No legally binding guarantees of specific properties can be inferred from the information obtained.

We reserve all rights, including the possibility of unforeseen errors and subsequent adjustments. We emphasize that the provided technical data is for informational purposes only and may be subject to changes without prior notice.
