

Transport trolley HL 2 steering + 2 fixed wheels

Plastic transport trolley HL is intended for all crate types (EURO, KLT, SN, ALC). Unique system allows the trolleys to be length and width. Mutual stackability into a stack. Possibility to connect into a logistic line.

Product code: 980420

Number of pieces on the pallet: 40

Technical specification

Features:

Colour	red
Material	PP
Weight	4.15 kg
Dynamic load capacity	300 kg

Outer dimensions

Length	60 cm
Width	40 cm
Height	19 cm

Specification

2 swivel and 2 fixed 100 mm wheels

The provided values are approximate and are based on practical experience and the ISO 8611 standard. These values were obtained under uniform load conditions at room temperature (20 °C). Due to different usage conditions, variations in values may be observed. We recommend conducting product testing before deployment.

All technical data of the products, including dimensions and weights, are subject to changes resulting from testing conditions and production technology. No legally binding guarantees of specific properties can be inferred from the information obtained.

We reserve all rights, including the right to unforeseen errors and changes. We emphasize that the provided technical data is for informational purposes only and may be subject to changes without prior notice.
